ABOUT US

Lucas Gymnastics opened its doors for the first time in August of 1995. Specializing in gymnastics for girls and young women, we have a place for all spectrums of participants from beginning toddlers to competitive athletes.

Our students are trained on four gymnastic events— vault, bars, beam, floor.

Gymnastics is an exciting sport, and our staff is ready and qualified to teach each and every student what they need to excel.

Mission Statement: Giving back that which was once given, through the art of defying gravity.
